

Lawns to Lakes: There is a Connection – Shoreland Advisors 101

■ Resources (v3-2021)

Presentation by Karen Terry and Keith Manlove, Sept 29, 2020

Sponsored by the Hubbard County Coalition of Lake Associations and Hubbard County U of M Extension

Hubbard County Coalition of Lake Associations (HC COLA) Score & Restore Your Shore Resources

<http://www.hubbardcolamn.org/score--restore-your-shore.html>

HC COLA website: What You Can Do → On the Shore → More Resources:

<http://www.hubbardcolamn.org/more-resources.html>

HC COLA Trained Shoreland Advisor / Coach to visit with You / Your family on your lakeshore lot, listening to your ideas and sharing insights potentially for your mini-watershed to prevent runoff, erosion and promote water quality. See #2 in the link below on how to reach out for a volunteer trained shoreland advisor / coach!

Minnesota Lakes & Rivers Advocates – Lake Steward Program & More:

<http://www.mnlakesandrivers.org/>

Dr. Doug Tallamy – series of webinars on Birds. Many bird species prefer shoreline for nesting & habitat. Pollinator and bird populations are crashing. The cause is lack of native plants and a diversity of native plants. Begin here: <https://www.youtube.com/watch?v=om4gKdODCwg>

Resources on Native Plants include, but are not limited to:

Hubbard County COLA “Restore the Shore” Annual Lake Assoc Program in Partnership with Hubbard SWCD:
