Featured “**Lakeadmin**” Post: It’s Not Too Early to Consider 2022 Directories

Instant Access Links

1) From The HC COLA President – Sharon Natzel

HC COLA **welcomes Wade Massure**, Park Rapids Area Fisheries Supervisor! I asked Wade to share a bit of his background for our HC COLA newsletter. Below is Wade’s reply and invitation for us all. Wade will join us at our April 28th hybrid meeting in person so he can start to get introduced to multiple lake contacts. Reach out and introduce yourself and share what lake you are on with Wade!

Wade shared: “My wife Jessica, son Waylon and I moved to Minnesota at the end of January 2022. I started the position of Park Rapids Area Fisheries Supervisor on February 2nd . A little background about me, I graduated with an Associate of Applied Science degree in Natural Resources Management from Hawkeye Community College, from there I attended Iowa State University and received my Bachelor’s degree in Fisheries.

After finishing my 4 year degree I wanted to travel and work with different fish species all across the US working in Iowa, Utah, Colorado, Washington and Arizona. Upon leaving Arizona, I attended Texas Tech University and received my Masters degree in Fisheries. Most recently, I spent the last 5+ years as the Statewide Stream Fisheries Biologist for the state of Kentucky.

My family and I have an absolute love of the outdoors and spend as much time as we can outside exploring, hunting, fishing, spending time on the water and tromping around in the woods. I look forward to meeting/working with all of the HC COLA members!

If you have any questions or just feel like chatting, feel free to contact me or stop on by the office, my door is always open! I can be reached at the Park Rapids Fisheries Office at (218) 552-2317. Looking forward to meeting everyone! Wade Massure”

HC COLA also **thanks** Calub Shavlik, who continues in his original position as Area Assistant Supervisor. Calub’s excellent work in the interim - until the MN DNR was able to post Doug Kingsley’s old position - kept all the balls in the air! Garfield plus First through Fourth Crow Wing Lakes are all included in the DNR Quality Sunfish program list with the reduced daily limit of five Sunfish. The Garfield Lake Association explained this will help the & increase the size of the fish over time!

for Middle Crow Wing Lake Association

- 2) **The public is invited** for our **Thurs, April 28th “Hybrid” HC COLA Meeting at 6:30 PM**. **Bryan Haugen**, Hubbard County Assistant Environmental Services Director, will present on **two important topics** for our loons, lakes and rivers:
1. **The Hubbard County AIS Prevention Program** for 2022
 2. **What Changed** with the **“Updated” Hubbard County Shoreland Management Ordinance** No. 17, Amendment 20, **August 17, 2021**

After our Break following the presentations, we will have the **HC COLA Business Meeting**. **There will be items to Vote on by the HC COLA Representatives!** An agenda will be provided closer to 4/28 for HC COLA Reps, Lake Assoc Presidents.

Register for your personal Zoom link below if Attending Virtually

<https://us02web.zoom.us/meeting/register/tZwpdOuqqzwsH9WtJDR4g-Jq6frTQZUf35Df>

After registering above, you’ll receive a confirmation email containing information about joining the 4/28/22 mtg, 6:30 PM

The 4/28/22 “Hybrid” HC COLA Meeting will be in-person at the Calvary Lutheran Church in Luther Conf Room, 112 Park Ave, Park Rapids, MN 56470

Park in the **rear parking lot** and enter through the rear entrance. The facility is handicapped accessible. The **Luther Conference Room** will be straight ahead of you - - look across the foyer slightly off to the right.

3) **May 11th Water Cooler Wednesday at 5:30 PM** at the Park Rapids Lakes Area Chamber of Commerce Parking Lot, 1204 Park Ave S, Park Rapids, MN 56470.

Attn! VIP! Lake Assoc's Water Monitors & AIS Prevention Coordinators!

Plan to pick up your toolset for water monitoring this season! Pick up your resort packets for visiting your resorts / campgrounds on your lake to discuss AIS prevention resources. Do you need additional zebra mussel settlement samplers for docks around your lake and the public accesses? We'll also have the updated waterproof AIS Identification cards available for you plus educational information for your annual meetings, flyers for your kiosks and your local business's bulletin boards.

4) **Thurs, May 12, at 7 PM via Zoom - Nick Baum, MN DNR Conservation Officer will present answers on our 4th quarter 2021 HC COLA Questions**

Please register for your personal Zoom link to the 1 hr meeting here: [Register](#)

You may recall in our 4th quarter 2021 HC COLA e-newsletter, we asked you to provide [questions](#) you might have for our MN DNR Conservation Officer, Nick Baum so that we could schedule a presentation by him. Nick will join us via Zoom on Thurs, May 12th at 7 PM to help answer these & additional questions you might have!

Hubbard County COLA

Hubbard County Coalition of Lake Associations (HC COLA) is the Leader in Protecting Hubbard County Lakes and Rivers.

Our mission is to protect and enhance the quality of our lakes and rivers, preserve the economic, recreational and natural environmental values of our shorelands and promote the responsible use of our waters and related habitats. Hubbard County COLA's mission enhances, promotes and protects the interests of lakeshore property owners, lake associations, local government, the general public and future generations.

Hubbard County COLA formed in 1988. HC COLA has a membership of 31 lake associations representing 43 lakes with over 2660 members in 2022. HC COLA is an all-volunteer 501(c)(3) tax exempt nonprofit organization. Donations are tax deductible as allowed by law. Mail to PO Box 746, Park Rapids, MN 56470.
